Our next online Art Therapy workshop is Thursday, January 28 2021
Joignez-vous à nous pour un atelier d’art-thérapie. Ceci est une occasion pour rencontrer d’autres patients et proches aidants, pour compléter un projet artistique et partager.

Join us for our Art Therapy Workshop. This is an opportunity to come together with fellow patients and caregivers, to make art and share.

Contactez-nous pour inscription / for registration contact us: rola.mouchantaf@muhc.mcgill.ca

Need health information? Overwhelmed and not sure where to look for relevant and factual resources?

Our librarian can help you find online trustworthy and up-to-date health information.

Link to the Resource Centre Web page
Looking for health information on the Internet but don’t know where to start?

Consult our Online Cancer Information Directory. You will find reliable and up-to-date health information carefully selected by our professional information specialist.

Go to our website page to consult the directory.
Excerpt from back cover: "By Your Side is a resource to support and inform women through their journeys with ovarian cancer. Uniquely, it’s from the community and for the community. The guide highlights personal contributions from a panel of seven survivors, combining their firsthand insights with expert knowledge from medical professionals, healthcare providers, and social workers to present the best available information on ovarian cancer."
Click on the link below to find out how to obtain a free copy of this book:

[Useful Resources]
COVID-19 & CANCER RESOURCES

The Cedars CanSupport Resource Centre has developed a Web page dedicated to trustworthy COVID-19 and Cancer online information and resources.

Accommodations Near the Glen Site

The MUHC libraries elaborated this list of accommodations near the Glen Site.

Please note the accommodations are listed according to their proximity to the Glen site, from closest to furthest. Certain more distant accommodations may also offer shuttle services.

Medical equipment and cancer publications by the MUHC Patient Education Office

The MUHC Patient Education Office has published booklets on medical equipment (ostomy, drains and lines, injections, and other) for cancer patients and their families.

To consult the publications online on their website, please click on the link below.
Thank you for reading our information bulletin! We hope you enjoyed this issue.
